Re-evaluation Level

Explain why a re-evaluation is needed?

The project was originally cleared and C1 with no new r/w required.

After discussion with William Foster School Superintendent, it was determined that a temporary construction fence on school property was required to close off access directly to IR-480 for when the noise barrier panels are removed.

Additional Section 4(f), Section 106, and RMR coordination is required for the use of school property. A C2 Reevaluation is required.

8-8-2022: based on the limited funding, the project has been downsized. The locations included are CUY-480N-0.82 in Warrensville Heights and IR-90 west of East 105th Street in Bratenahl.

All work is within existing r/w. No Section 4(f) impacts are anticipated. A C1 Reevaluation is required.

C1

PID: 113623
Project Sponsor: ODOT SPONSORING AGENCY
ODOT District: 12
Funding Source: Federal
Private Funding: No

Project Description:

Replace the noise barrier panels at two locations along I-480N and IR-90.
All work is within existing right-of-way. No work instreams or wetlands. No tree removal. No deep excavation required.
Construction Cost Estimate: \$2,193,000.00 90% federal/10% Sate funding.

The C1 Reevaluation approval is based on Final Tracings.
