Project Description:

The Williams County Engineers Office is proposing to update pavement markings in various locations throughout Williams County. This project is within the right of way and there will be no impacts to any utilities. This project will not impact any waters of the US or special flood hazard areas so no permits are required. This project will not have any impacts on any historically significant resources. Construction is expected to begin in the summer of 2019 and last approximately 30 days. The public will be notified of any traffic disruptions.

This document was approved based on Stage 3 plans.
