Project Sponsor: District 02 - Real Estate
ODOT District: 2
Funding Source: Non-Federal

Description of Parcel Being Disposed

ODOT is proposing to dispose of a 0.0048 AC piece of R/W in Sandusky County on State Route 510. A roof overhang attached to a barn encroaches the SR 510 right-of-way and the encroachment area is being deeded to the barn's owner. Currently, there is an easement/access permit for a barn that was built within the right of way. The right of way was transferred from the county to the state in 1934 when the county road was turned into a state route. The barn will not be impacted by this disposal.
