C1

PID: 110909
Project Sponsor: MAPLE HEIGHTS; CITY OF
ODOT District: 12
Funding Source: Federal
Private Funding: No

Project Description:

The Safe Routes to School project in Maple Heights will enhance the sidewalks and crossings along Dunham Road, a main route for students walking or biking to school. Work along Dunhman Rd between Rockside Rd and Turney Rd will include adding high visibility signage, restriping crosswalks and the replacement of curb ramps.

The C1 approval is based upon State 1 Design. Plans are included in the Project File/General/Project Information/Stage 1 Design.PDF.

ODOT has reviewed the RMR Screening for CUY-SRTS FY2022 Maple Hts (PID 110909). Based on this review, ODOT concurs that no further RMR or special material management is warranted for the project. However, if the plans change or require additional excavation, further RMR investigation may be required. See Project File/ESA/Coordination/District Decision-NFA.PDF.

Based on a consideration and ecological review, the project does not have the potential to impact ecological resources regulated under the under Sections 404 or 401 of the Clean Water Act, Section 7 of the Endangered Species Act, or the Fish and Wildlife Coordination Act, and should not result in any activities that violate ORC Chapters 1518 and 1531, or Section 1533.324. This project is considered Ecologically Exempt under the Ecological MOA (Agreement 19394).

A Cultural Resource Records Check was performed by district environmental staff using the SHPO GIS online database. No Cultural Resources listed on or determined eligible for listing on the National Register of Historic Places were identified within and/or immediately adjacent to the proposed project area. The undertaking is a type which has minimal potential to cause effects to historic properties. No further coordination is required in accordance with the Section 106 Programmatic Agreement. The Record Check can be found in the Project File under Cultural Resources/Project Information.

The City of Maple Heights posted a press release to the website www.citymapleheights.com providing the public information on the proposed SRTS project along Dunham Road. A copy of this press release as posted on the website can be found in the Project File/Public Involvement. No public comments were received in regard to this project, so the City of Maple Heights has decided to proceed with the project as proposed.

The C1 approval is base on Stage 1 Plans. Plans are included in Project File/General/Project Information/Stage 1 Design.pdf.
