C1

PID: 108952
Project Sponsor: OHIO HISTORIC PRESERVATION OFFICE
ODOT District: 2
Funding Source: Non-Federal
Does this project require a Federal permit or approval? No
Private Funding: No
Project Description:

The Ohio Historic Preservation Office is proposing to resurface, widen, and restripe the roads and parking lots within Spiegel Grove. Additional work includes moving the main entrance to increase safety. All work is within OHPs property and there will be no impacts to any utilities. Several trees will be cut to allow for the new entrance and the widened road. All ecological impacts have been coordinated with the appropriate resource agencies. All changes to Spiegel Grove have also been coordinated with the State Preservation Office to ensure that all planned improvements do not impact the historical integrity of the site. Construction is expected to begin in the summer of 2023 and last approximately 60 days. During construction, traffic within the site and along public roads will be maintained at all times.

This document was written and approved based on Stage 3 plans.

STIP Reference #: SLI Group Project
Cultural Resources Coordination: ORC 149.53 Appendix B
Cultural Resources Coordination Date: 09/16/2022

Since no Tribe was interested in this project based on their customized preferences, no further Tribal consultation was conducted.

Environmental Commitments

C1

1) Ensure impacts to the federally listed and protected Indiana bat and northern long-eared bat are avoided and minimized. Do not remove trees from April 1 through September 30. Perform all necessary tree removal from October 1 through March 31. Demarcate clearing limits in the field to avoid any unauthorized tree clearing. For the purposes of this note, a tree is defined as a live, dying, or dead woody plant, with a trunk three inches or greater in diameter at a height of 4.5 feet above the ground surface, and with a minimum height of 13 feet.
