Project Sponsor: ODNR
ODOT District: 2
Funding Source: Non-Federal
Does this project require a Federal permit or approval? No
Private Funding: No

Project Description:

This paving project improves ODNR East Harbor State Park's roadways. Through removing the existing wearing course, performing necessary pavement repairs, resurfacing, and other necessary related work. All work is within the existing right of way and there will be no impacts to utilities. There are no jurisdictional water resources in the project area so no USACE permits are required. This project is not located within a special flood hazard area so there will be no impacts to the floodplain. There is no suitable habitat for any state or federally listed species within the project area so there will be no impacts to any ecological resources. The work included in this project has minimal potential to cause effects to historical resources. Construction is expected to begin fall of 2021 and last approximately 45 days. During construction, a minimum of one traffic lane will be maintained at all times.

STIP Reference # SLI Group Project
Cultural Resources Coordination: ORC 149.53 Appendix A
Cultural Resources Coordination Date: 10/27/2020

Since no Tribe was interested in this project based on their customized preferences, no further Tribal consultation was conducted.

Supporting documentation has been uploaded to Project File: Yes
