PID: 109672
Project Sponsor: WOOD COUNTY ENGINEER
ODOT District: 2
Funding Source: Federal
Private Funding: No

Project Description:

The Wood County Engineer is proposing to paint pavement marking on various routes throughout the county. All work is within the right of way and there will be no impacts to utilities. There are no impacts to any ecological resources (streams, wetlands, listed species) or historical resources. Several of the routes are located within a special flood hazard area, however the work will have no impact on the floodplain. Construction is expected to begin in the summer of 2021 and last approximately 45 days. During construction, one lane of traffic will be maintained at all times.

This document was written and approved based on stage 1/schematic plans.
