Project Description:

Purchase right-of-way adjacent to the Montville outpost in Geauga County for future expansion.

This is just for the acquisition of the property. No excavation or construction. No tree removal.

An ecological survey will be prepared based on the proposed design of Montville Outpost expansion. There are wetlands located behind the current Outpost building that will not be impacted by the acquisition. An Ecologically Exempt Form was prepared and approved for the acquisition only. No impact to streams, wetlands, or trees are anticipated. The parcels are not located in a FEMA Floodplain.

Review of mapping and field review did not identify any Section 4(f) or Section 6(f) properties in the vicinity.

The C2 Approval is based on Preliminary Engineering;
