Project Description:

The Ohio Department of Transportation, in cooperation with the Ohio Department of Natural Resources, is proposing to resurface Cabin Road within Maumee Bay State Park in Lucas County. Additional work includes the resurfacing of all of the cabin drives. All work is within the existing roadway right of way and there will be no impacts to any utilities. There will be no impacts to any ecological or historical resources and no permits are required. Construction is expected to begin in the fall of 2021 and last approximately 30 days. During construction, access to Cabin Road and the available cabins on cabin road will be maintained at all times. The construction schedule and access restrictions will be communicated with the ODNR throughout construction.

This document was written and approved based on Stage 2 plans.
