C1

PID: 112559
Project Sponsor: DISTRICT 2 ENGINEERING
ODOT District: 2
Funding Source: Federal
Private Funding: No

Project Description:

Under this PID (112559), a planning study was completed for a potential interchange project at Wood County IR-75/U.S. Route 20/U.S. Route 23 (Fremont Pike) Exit 193. This document is being cleared under item #1 because writing this planning study did not result in any impacts to any NEPA regulated resources.

STIP Reference #: 21-24 STIP
Cultural Resources Coordination: No Potential to Cause Effect
Cultural Resources Coordination Date: 09/21/2022

Since no Tribe was interested in this project based on their customized preferences, no further Tribal consultation was conducted.

Supporting documentation has been uploaded to Project File: Yes

Select the appropriate project type (more than one can be selected):

(1) Activities which do not involve or lead directly to construction, such as planning and technical studies; grants for training; engineering to define the elements of a proposed action or alternatives so that social, economic, and environmental effects can be assessed; and Federal-aid system revisions which establish classes of highways on the Federal-aid highway system. *Examples include: Study type projects (i.e. feasibility studies, etc.); Land donations to ODOT associated with ROW permits (non-NHS/non-Limited Access right-of-way). (Environmental Site Assessment issues will require coordination with ODOT-OES).*
