Does this project require a Federal permit or approval? No
Private Funding: No

Project Description:

The Ohio Department of Transportation, in cooperation with the Ohio Department of Natural Resources, is proposing to resurface the parking lot within Mary Jane Thurston State Park in Wood County. All work is within the existing roadway right of way and there will be no impacts to any utilities. There will be no impacts to any ecological or historical resources and no permits are required. Since this project is state funded, Section 4(f) laws do not apply and this location is not considered a Section 6(f) property. Construction is expected to begin in the fall of 2021 and last approximately 30 days. During construction, access to the parking lot will be restricted. The construction schedule and access restrictions will be communicated with the ODNR throughout construction.

This document was written and approved based on Stage 2 plans.
