Project Description:

Cuyahoga County Department of Public Works' project, known as CUY-Superior Road (CR-41) PID 112462, includes pavement resurfacing of Superior Road between Euclid Ave and Lee Road within the cities of East Cleveland and Cleveland Heights. In addition the project will include spot curb replacements, base repairs, ADA accessible curb ramps, drainage structure and manhole adjustments along the 1.7-mile long project. All work will be completed within the existing right-of-way.

Based on a consideration and ecological review, the project does not have the potential to impact ecological resources regulated under the under Sections 404 or 401 of the Clean Water Act, Section 7 of the Endangered Species Act, or the Fish and Wildlife Coordination Act, and should not result in any activities that violate ORC Chapters 1518 and 1531, or Section 1533.324. This project is considered Ecologically Exempt under the Ecological MOA (Agreement 19394).

A Cultural Resources Records Check was performed by district environmental staff using the SHPO GIS online database. No Cultural Resources listed on or determined eligible for listing on the National Register of Historic Places were identified within and/or immediately adjacent to the proposed project area. The undertaking is a type which has minimal potential to cause effects to historic properties. No further coordination is required in accordance with the Section 106 Programmatic Agreement. The Record Check can be found in the Project File under Cultural Resources/Project Information.

Review of the RMR Screening and the plans for the CUY-Superior Road (PID 112462) have been reviewed. Based on this review, no further RMR or special material management is warranted for the project.

Cuyahoga County posted a press release to the website

[https://www.cuyahogacounty.us/publicworks/projects/superior-road-\(cr-41\)-project](https://www.cuyahogacounty.us/publicworks/projects/superior-road-(cr-41)-project) providing the public information on the proposed Superior Road resurfacing project. A copy of this press release as posted on the website can be found in the Project File/Public Involvement. One comment was received by the County, a commuter who is appreciative that Superior Road is being resurfaced. This comment, submitted via electronic mail can be found in the Project File under Public Involvement/Project Information/PI Comment.PDF. No revisions to the project design were made due to public comments. Cuyahoga County has decided to proceed with the project as currently designed.

The C1 approval is based upon State 1 Design. Plans are included in the Project File/General/Project Information/Stage 1 Design.PDF.
