Project Description:

This is an annual contract to hire someone to operate the Craig and Port Clinton lift bridges. There will be no impact to waterways or state/federally listed species. All work is within the existing right of way and no deep excavation is required. There is minimal potential to cause effects to any historic properties. This project will begin Winter 2021 and the contract will last 1 year. All traffic will be maintained on the bridges when the work is being performed. This document was written and approved based on Stage 2 plans.
