C1

PID: 113242
Project Sponsor: CUYAHOGA COUNTY ENGINEER
ODOT District: 12
Funding Source: Federal
Private Funding: No

Project Description:

The project involves the rehabilitation of 1.44 miles of Hilliard Road (CR-69), a two-lane roadway from Riverside Dr. (SR 237) to Warren Rd. (CR-66) in the City of Lakewood, Cuyahoga County. Work includes partial and full depth pavement repair, ADA compliant curb ramps and sidewalk replacement, enhanced crosswalks, the creation of bike lanes with pavement markings, traffic signal work, guardrail repair, and drainage repairs. No new right-of-way takes, or culvert replacements will be needed. All earth disturbing activities, vegetation clearing, and guardrail replacements will be performed in previously disturbed/existing locations adjacent to the roadway. The corridor is urban with primarily residential and some commercial properties.

Funding: \$2,840,518.75

Engineering: 100% local

Construction: 80% federal and 20% local

MOT: Length and duration of lane closures and restrictions shall be at the approval of the Engineer. It is the intent to minimize the impact to the traveling Public.

PI: Standard plan note included in plan set 'Contractor is to notify ODOT D12 PIO 14 days prior to the start of construction so PIO can notify the public.'

The project was approved as Resolution 2020-48 by the Lakewood City Council on 08/03/2020 (documentation included in Public Involvement/Project Information/ Public Meeting Exhibits.pdf). The project was discussed at other public meetings including the 2019 Bicycle Planning Update, an update on bicycle planning efforts was provided to attendees at Bike Lakewood's annual social on 06/17/19 (see documentation link above). On 03/21/18 a public meeting was held at Around the Corner to inform residents and collect feedback on bike infrastructure planning in the city (https://www.lakewoodoh.gov/wp-content/uploads/2018/04/BikeHere_Presentation_20180319.pdf). The City of Lakewood will place the project in its Public Works Project Outlook Map, a GIS based map tool that identifies all projects within the City of Lakewood (located here: [Street Construction Updates | The City of Lakewood, Ohio \(lakewoodoh.gov\)](https://www.lakewoodoh.gov/street-construction-updates)). The City of Lakewood will mail out notification letters to the nearby stakeholders providing a 2-week comment period. An open house at the City Hall Auditorium will be held one evening from 6 to 8 PM. The City will put the plans and MOT on The City of Lakewood website during the comment period.

PI Conclusion: No public comments have been received on the project. No revisions to the design are required due ro public comments. The City of Lakewood has decided to proceed with the project as currently designed.

Stage 2 plans are included in Project File/General/Project Information/Stage 2 Design.pdf.
