Project Sponsor: DISTRICT 2 ENGINEERING
ODOT District: 2
Funding Source: Non-Federal
Does this project require a Federal permit or approval? No
Private Funding: No
Project Description:

This proposed project includes district wide (Henry, Fulton, Lucas, Ottawa, Sandusky, Seneca, Wood, and Williams County) pavement marking maintenance to re-paint pavement markings. This project will not impact any waters of the US or special flood hazard areas so no permits are required. Some locations are within 1,000 feet of the State Scenic Maumee and Sandusky Rivers however, this activity is an exempt activity and no notifications to the Ohio Department of Natural Resources (ODNR) Scenic Rivers are required. Extra care will be taken to not disturb any plants/animals, especially within the Oak Openings region. This project will not have any impacts on any historically significant resources. Construction is expected to begin in the spring of 2023 and continue through the summer of 2023. The public will be notified of any traffic disruptions.

This document was written and approved based on Stage 2 plans.

STIP Reference #: SLI Group Project
Cultural Resources Coordination: ORC 149.53 Appendix A
Cultural Resources Coordination Date: 12/01/2021

Since no Tribe was interested in this project based on their customized preferences, no further Tribal consultation was conducted.

Supporting documentation has been uploaded to Project File: Yes
Select the appropriate project type (more than one can be selected):

(8) Installation of fencing, signs, pavement markings, small passenger shelters, traffic signals, and railroad warning devices where no substantial land acquisition or traffic disruption will occur. *Examples include: The installation or maintenance of signs, pavement markings/raised pavement markers/sensors, traffic calming activities, and/or new or replacement fencing (right-of-way, vandal, etc.); General pavement marking or "line painting" projects.*
