C1**PID:** 114546**Project Sponsor:** DISTRICT 2 ENGINEERING**ODOT District:** 2**Funding Source:** Non-Federal**Does this project require a Federal permit or approval?** No**Private Funding:** No**Project Description:**

The Ohio Department of Transportation is proposing a project for fiscal year 2023 to crack seal various routes throughout District 2. All work is within the existing right of way, and there will be no impact to utilities. Since there is no work within any waters of the US and there are no floodplain impacts, no permits are required. There are some ecological species located within 1 mile of the project sites, but there will be no impacts to any state or federally listed species or their habitat. This project has a minimal potential to cause impacts to any historical resources. Construction is expected to begin in the fall of 2022 and last approximately 30 days.

This document was written and approved based on the location list provided by the project manager.
