Approved: 2/26/2024

**C1**

**PID:** 113239

**Project Sponsor:** CUYAHOGA COUNTY ENGINEER

**ODOT District:** 12

**Funding Source:** Federal

**Project Description:**

Oakwood Village in cooperation with the Cuyahoga County Engineer's Office (Sponsoring Agency) and Ohio Department of Transportation (ODOT) proposes to rehabilitate Broadway Avenue from Richmond Road (Cuyahoga County/Oakwood Village southern corporation limit to Macedonia Road. The project includes curb to curb resurfacing, limited full and partial-depth pavement repairs, curb, walk and drive apron repairs, as needed for the installation of ADA-compliant curb ramps as well as minimal sidewalk work outside the limits of curb ramps. The estimated length of project is 1.50-miles.

Maintenance of Traffic schemes are under development with maintaining traffic in one direction and detouring traffic in the opposite direction as a possibility. Once a determination is made, the final detour routes will be posted with appropriate signage throughout construction.

Work will occur within the existing R/W.

This project will not have any adverse impacts to cultural resources and ecological resources.

There are no hazardous materials within the site and no activities such as deep excavation will be taking place.

There will be no in-water work, or work within wetlands, or pollinator initiative areas. No tree removal.

The Stage 1 construction cost estimate is \$1,947,350.

Federal funding will be utilized to pay for 80% of the construction cost, with a \$1,581,481.60 maximum.

Costs in excess of this amount are the responsibility of the Village/County and OPWC funding has been obtained to cover these costs.

Public Involvement was completed during the project's development with a notification posted to the CCDPW website Executive and Public Works pages on February 21, 2024 that provided a description of the work, schedule, cost and contact information for comments and questions. Additionally, provided to be posted on Oakwood Village's site for more exposure. No comments were received during the 30 day comment period.

Public Involvement Conclusion: No revisions to the design are anticipated based upon public comment and that the Village and County will proceed with the project as currently designed. Any comments received will be considered and revisions made only if necessary.

The C1 approval is based upon the Stage 1 plans which are included on the Project File tab under General/Project Information

**The next phase of the proposed project is listed on the STIP:** Yes
