PID: 105633
Project Sponsor: DISTRICT 2 ENGINEERING
ODOT District: 2
Funding Source: Non-Federal
Does this project require a Federal permit or approval? No
Private Funding: No

Project Description:

The Ohio Department of Transportation is proposing to replace all flatsheet signs in wood county on non-freeways to ensure that they are up to current standards and that all required signage is placed and visible. All work is within existing right of way and there will be no impacts to utilities. This project does not include impacts to any waterways or floodplains, therefore no US Army Corps of Engineers or floodplain permits are required. There will be no impacts to any ecological or historically significant resources. Construction is expected to begin in the summer of 2023 and last approximately 60 days. During construction, one lane of traffic will be maintained at all times.

This document was approved based on Stage 2 Plans.

STIP Reference #: SLI Group Project
Cultural Resources Coordination: ORC 149.53 Appendix A
Cultural Resources Coordination Date: 06/29/2022

Since no Tribe was interested in this project based on their customized preferences, no further Tribal consultation was conducted.

Supporting documentation has been uploaded to Project File: Yes

Select the appropriate project type (more than one can be selected):

(8) Installation of fencing, signs, pavement markings, small passenger shelters, traffic signals, and railroad warning devices where no substantial land acquisition or traffic disruption will occur. *Examples include: The installation or maintenance of signs, pavement markings/raised pavement markers/sensors, traffic calming activities, and/or new or replacement fencing (right-of-way, vandal, etc.); General pavement marking or "line painting" projects.*

(31) Activities that do not utilize federal monies or require federal actions.
