C1

PID: 117729
Project Sponsor: ODOT SPONSORING AGENCY
ODOT District: 12
Funding Source: Non-Federal
Does this project require a Federal permit or approval? No
Private Funding: No
Project Description:

Level 1 Ecological Survey for a permit within IR-77 R/W in the northeast quadrant of the IR-77/IR-480 interchange.

All within the ROW. Utility impacts are not likely.

Construction will not require a maintenance of traffic (MOT).

The project is not located in a regulated floodplain, therefore no coordination is required.

No other environmental, hazardous materials, 4(f)/6(f), or underserved population impacts will result from this project.

STIP Reference #: N/A

Cultural Resources Coordination: Minimal Potential to Cause Effect
Appendix A

Cultural Resources Coordination Date: 10/28/2022

Since no Tribe was interested in this project based on their customized preferences, no further Tribal consultation was conducted.

Supporting documentation has been uploaded to Project File: Yes

Select the appropriate project type (more than one can be selected):

(24) Localized geotechnical and other investigations to provide information for preliminary design and for environmental analyses and permitting purposes, such as drilling test bores for soil sampling; archaeological investigations for archaeology resources assessment or similar survey; and wetland surveys (**This only applies to stand alone projects, not for environmental surveys being conducted as part of a project with an environmental document**).
