**Project Description:**

SRTS Infrastructure Project to install a new sidewalk along Elm Street from Lighthouse Pointe Drive to Elm Street Elementary School in the City of Painesville in Lake County. The work includes construction of a sidewalk on the southside of Elm. No right-of-way is needed to construct the proposed project. The project is considered Ecologically Exempt under the Ecological MOA (Agreement 19394). See the Ecological tab for documentation. A Regulated Materials Review Screening was conducted September 18, 2024. See project file for documentation. Cultural Resources was approved under Minimal Potential to Cause Effect Appendix A on September 18, 2024. A Cultural Resources Records Check was performed using the SHPO GIS online database. No Cultural Resources listed on or determined eligible for listing on the National Register of Historic Places were identified within and/or immediately adjacent to the proposed project area. The undertaking is a type which has minimal potential to cause effects to historic properties. No further coordination is required in accordance with the ORC 149.53 Appendix A. The Record Check can be found in the Project File Under Cultural Resources/Project Information. The project is not located within a regulated floodplain; therefore, no coordination is required. The project will not impact any environmentally sensitive resources within the project study area. No other environmental, cultural resources, air, noise, Section 4(f)/6(f), or environmental justice impacts will result from this project. No work in streams, wetlands, or pollinator initiative sites. No tree removal. Construction: \$363,000: 80% Federal and 20% Local Match. The C1 approval is based on preliminary design
