**PID:** 111566

**Project Sponsor:** Mentor, City of

**ODOT District:** 12

**Funding Source:** Federal

**Project Description:**

This project will provide asphalt resurfacing and full depth concrete repairs of Heisley Road from Hendricks Road to SR 2 in Lake County. All work will take place within the existing right-of-way.

The project is considered Ecologically Exempt under the Ecological MOA (Agreement 193340). No work in streams or wetlands. No tree removal. See Ecological tab for documentation. No ecological impacts are proposed.

*No Cultural Resources listed on or determined eligible for listing on the National Register of Historic Places were identified within and/or immediately adjacent to the proposed project area. The undertaking is a type which has minimal potential to cause effects to historic properties. No further coordination is required in accordance with the Section 106 Programmatic Agreement. The Record Check can be found in the Project File Under Cultural Resources/Project Information. See Section 106 approval on 1/26/23 in the Project File of EnviroNet. A press release was sent out to the City of Mentor on 01/27/23. Comments were received and responded to by the City of Mentor after 2/28/23. See the Project File. The City has changed the Maintenance of Traffic (MOT) plan for LAK-615-4.03, PID 98564 based on public input. The MOT was changed to one lane north and south bound instead of one direction for each phase of construction. This will not conflict with the Heisley Road project MOT. The City of Mentor has decided to proceed with the project as currently designed. Public Involvement will continue through construction.*

A Regulated Materials Review (RMR) Screening was conducted in 1/6/23. ODOT District 12 provided approved with no further investigations required on 1/06/23. See project file for documentation.

The project is not located within a regulated floodplain, therefore no coordination is required.

The project will not impact any environmentally sensitive resources within the project area. No deep excavation is required.

The C1 approval is based on Stage 3 Plans.
