Project Description:

The Ohio Department of Transportation is currently proposing to resurface the Portage River Access Rd and parking area in Port Clinton, OH due to poor pavement conditions. All work is within the existing right of way and there will be no impacts to utilities. This project is located within a special flood hazard area. It was determined by the district 2 hydraulic engineer that there will be no impacts to the floodplain. There will be no impacts to any ecological or historically significant resources. Construction is expected to begin in the summer of 2024 and last approximately 90 days. During construction, access to the facility will be maintained at all times.

This document was approved based on Stage 2 plans.
