PID: 122080
Project Sponsor: ODOT SPONSORING AGENCY
ODOT District: 12
Funding Source: Non-Federal
Does this project require a Federal permit or approval? No

Project Description:

Emergency 54" conduit repair underneath IR-271 southbound express lanes. Failure has created large voids underneath the pavements that are creating safety concerns to the motoring public.

All work is within existing right-of-way.

Deep excavation is required, however all work is under existing pavement and is exempt from further regulated material coordination.

No work is streams, wetlands, or pollinator initiative sites. No tree removal.

A review of the OHPO Database identified that the project area has been reviewed for cultural resources in the past, however, no site eligible for the NRHP were identified in the project area. Therefore, *The undertaking is a type which has minimal potential to cause effects to historic properties in accordance with Appendix A of the Section 106 Programmatic Agreement and therefore, no further coordination is required. The Record Check can be found in the Project File Under Cultural Resources/Project Information.*

No ecological, regulated material, floodplain, or Section 4(f)/Section 6(f) resources will be impacted by the project

Construction Cost Estimate: \$400,000 100% state funding

The C1 approval is based on Conceptual Schematic Plans. Conceptual plans are included in Project File/General/Schematic Plans.pdf and Schematic plans - project details.pdf.

The next phase of the proposed project is listed on the STIP: Yes
