Project Sponsor: DISTRICT 2 ENGINEERING

ODOT District: 2

Funding Source: Non-Federal

Does this project require a Federal permit or approval? No

Project Description:

The Ohio Department of Transportation is proposing a project for fiscal year 2026 to crack seal various routes throughout District 2. All work is within the existing right of way, and there will be no impact to utilities. Since there is no work within any waters of the US and there are no floodplain impacts, no permits are required. There are some ecological species located within 1 mile of the project sites, but there will be no impacts to any state or federally listed species or their habitat. This project has a minimal potential to cause impacts to any historical resources. Construction is expected to begin in the spring of 2026 and last approximately 10 days.

This document was written and approved based on the location list provided by the project manager.

The next phase of the proposed project is listed on the STIP: Yes

Ellis STIP Details

Phase	Current STIP Reference
ENV	
CO	114913: 24-27 STIP

The current cost estimate is in line with existing federal procedures for Ohio STIP Amendments and Administration Modifications: Yes

Cultural Resources Coordination: ORC 149.53 Appendix A

Cultural Resources Coordination Date: 12/23/2024

Since no Tribe was interested in this project based on their customized preferences, no further Tribal consultation was conducted.

Supporting documentation has been uploaded to Project File: Yes
