PID: 122375
Project Sponsor: Toledo Area Metropark District
ODOT District: 2
Funding Source: Non-Federal
Does this project require a Federal permit or approval? No

Project Description:

Toledo Area Metropark District is currently proposing an Ohio Parks & Recreation Association funded project to complete a full-depth replacement of the public parking lot within Ravine Park on Colorado St. between Licking St. and Steel St. due to poor pavement condition. All work is within the existing right of way and there will be no impacts to utilities. There are no jurisdictional waterways and there is no suitable habitat for any listed species in the project area. Since this project is 100% state and local funded, section 4(f) does not apply and this park is not a section 6(f) property. This project has a minimal potential to cause impacts to any historical resources. Construction is expected to begin in the fall of 2025 and last approximately 90 days.

This document was written and approved based on the schematic drawing submitted by the engineer.

The next phase of the proposed project is listed on the STIP: Yes

Ellis STIP Details

Phase	Current STIP Reference
CO	122375: 24-27 STIP

The current cost estimate is in line with existing federal procedures for Ohio STIP Amendments and Administration Modifications: Yes

Cultural Resources Coordination: ORC 149.53 Appendix A

Cultural Resources Coordination Date: 02/20/2025

Since no Tribe was interested in this project based on their customized preferences, no further Tribal consultation was conducted.

Supporting documentation has been uploaded to Project File: Yes
