Funding Source: Non-Federal
Does this project require a Federal permit or approval? No

Project Description:

ODOT will be repairing the Detroit Avenue bridge over I-75 due to it being hit and damaged. All work is within the existing right of way, and there will be no impact to utilities. Since there is no work within any waters of the US and there are no floodplain impacts, no permits are required. There are some ecological species located within 1 mile of the project sites, but there will be no impacts to any state or federally listed species or their habitat. This project has a minimal potential to cause impacts to any historical resources. Construction is expected to begin in the spring of 2025 and last approximately 60 days.

This document was written and approved based on a project footprint.

The next phase of the proposed project is listed on the STIP: No

Remarks:

This project is not currently on the STIP, however the next phase is non-federal 100% state funded and is fiscally constrained.
