Project Description:

This project is 100% state funded and is non-let. The ODOT Fulton County Garage will be replacing drainage tile along State Route 64 that outlets into Ai Creek. New right of way will be required to access the existing drainage structures and to allow for future maintenance. No utilities will be impacted. This project is located within a special flood hazard area and coordination and coordination with the local floodplain administrator is on-going.

There are some ecological species located within 1 mile of the project sites, but there will be no impacts to any state or federally listed species or their habitat. This project has a minimal potential to cause impacts to any historical resources. Construction is expected to begin in the fall of 2025 and last approximately 60 days. During construction, a minimum of one lane of traffic in each direction will be maintained.
