Project Description:

The proposed project will resurface Wallings Road (County Route 57) from Broadview Road to the east corporate limit of Broadview Heights (approximately 2.27 miles). The resurfacing work consists of pavement milling, partial and full depth base repairs and overlay with a new asphalt surface. Spot drainage, sidewalk and curb repairs will be completed, and all curb ramps will be upgraded to be compliant with the Americans with Disability Act (ADA). All work will be completed within the existing transportation right-of-way. During construction, two-way traffic will be maintained through the use of flaggers. No deep excavation (greater than six feet) will be required for the project.
